The Voice of **Hope** about Jesus  
Luke 1:5-20

The voice of \_\_\_\_\_ speaks out to us loud and clear about His plan for the world.

Zechariah was a \_\_\_\_\_ working in the Temple in Jerusalem.

He and his wife \_\_\_\_\_ were in the lineage of Aaron the High Priest.

They had prayed for years for a son, but were \_\_\_\_\_.

What seemed by chance Zechariah was chosen by \_\_\_\_\_ to burn the incense on the Holy Place Altar.

This was not by chance but ordained of God for there God sent the angel \_\_\_\_\_ with a message for Zechariah.

John would be born to \_\_\_\_\_ a people prepared for the Lord.

Vs. 18 Zechariah did \_\_\_\_\_ believe that it could happen.

*"Extraordinary acts of God always begin with ordinary acts of obedience."* Steven Furtick.

Because of his unbelief Zechariah became \_\_\_\_\_ until the baby was born.

God tells us that he is our kind and loving Father, who will \_\_\_\_\_ of us.

God answers \_\_\_\_\_.

Here is the voice of hope in a nutshell. John prepared the way for \_\_\_\_\_ to deal with your sins of unbelief, your doubts, your lack of trust in the goodness of God.

Vs. 57 God did not \_\_\_\_\_ Zechariah. After John was born

he got his \_\_\_\_\_ back and began to prophetically announce the

coming of \_\_\_\_\_.
